Classroom Management Guidelines

Our desire is that PowerHouse be a place where every child can discover and experience God's plan for his or her life in the context of Biblical relationships with family, PowerHouse ministers and friends.

In order to accomplish this, it is important that we help each child develop patterns of self-discipline in their life both inside and outside the classroom environment.

We are committed to making each child's experience in PowerHouse both fun and spiritually rewarding. We believe that those who participate fully in the carefully planned activities will have the most fun. We also believe that they will have the best opportunity to learn and put into practice the principles of God's Word.

Our classroom management standards are communicated to the children and upheld by our PowerHouse ministers as consistently as possible. We want to join hands with every parent to help the children entrusted to us as well.

We are always ready to discuss and strategize with parents should a child have difficulty maintaining patterns of good self-discipline. We stand ready to help, and are constantly looking for better ways to serve our children and their families.

Each PowerHouse minister will be regularly communicating the following information to the children. Parents are encouraged to remind their children of these principles as children prepare to participate in Powerhouse programs and activities.

"He who heeds discipline shows the way to life, but whoever ignores correction leads others astray."
Proverbs 10:17

TODAY IN POWERHOUSE.....

I will **OBEY** my parents, teachers and leaders.

I will **RESPECT** each other and God's house.

I will **BE KIND** to everyone!

If I choose not to do these things, I am choosing to be corrected.

1st time — I'll be **REMINDED** to make better choices.

2nd time — I'll **TAKE A BREAK** away from my friends.

3rd time — Someone will talk to my **PARENTS**.

When I make right choices, I am honoring God and we all have more fun!
